Dear Horse World Expo Clinician:

Thank you for your participation as a clinician at Horse World Expo. Enclosed you will find several forms that need to be completed and returned to our office by the deadlines shown on the forms. Please include all equipment needed for your lectures and demonstrations so that we may have those items available for you. All personnel from your organization that will be handling and/or riding a horse during the show, or inside any arena, must also sign a Release of Liability form. Please plan accordingly so that you can send the forms in time to meet our deadlines. **Paperwork needs to be received in advance of the show.**

If you are bringing horses and would like to use stalls during the Expo, please complete a Stall Reservation Form included with your Exhibitor Information Package. This form is for reserving stalls for your personal horses. Please refer to the instructions below for demonstration horses that are not a part of your organization. Please instruct your riders, handlers and vehicle drivers to follow the *Guidelines for Stabling, Parking and Participating in Horse Related Activities*. A copy of the parking map has been included for your convenience. Illegally parked trailers and vehicles may be ticketed, towed or become blocked by other vehicles. **At no time should trailers be stopped to load and unload horses in the traveled portion of the road.** Your cooperation is appreciated.

If you will not require any demonstration horses for your lectures or demonstrations, please disregard the associated portions on the enclosed forms. If you need demonstration horses and will not be making your own arrangements to bring horses, please provide a brief description of what type of horse you would like for your demonstrations. There will be many horses on the grounds so you are not required to bring horses for your demonstrations, provided we are notified of your requirements **at least 30-days prior to the Expo**. If you are making your own arrangements for demonstration horses and these horses are not owned by your organization, please forward the name, address, email and phone number of the horse owners so we can send the appropriate instructions and forms to them.

Thank you for your cooperation, and I look forward to working with you. If you have any questions, please don't hesitate to call.

Sincerely,

A handwritten signature in cursive script that reads "Denise Parsons".
